CHAIRMAN'S REPORT

The highlights of the season were the revival of the popular Colts team, the Premier 1 team's best win / loss ratio of all clubs and a Jubilee Cup final appearance, a growing confidence and talent of the Women's team, the Reserve 3 team making the final, 50th Anniversary celebrations and some magical nights at the clubrooms celebrating player achievements. Watching six MSP players represent the Lions in the NPC and our seven women in the Pride team was also another highlight. Financially, we remained stable in tough economic times for the 2nd year running. COVID significantly impacted opportunities to hold clubrooms events and had it not been for several lockdowns the club would have made a good profit.

The events that took place at the Ambassador 7s in late 2020, the events of the Premier 1 game against OBU and continued impact of COVID made for some difficult times. The ongoing negative media coverage undermined the great work by so many volunteers across all levels of Marist St Pats. Our character and values were tested over and over by people from outside and inside our club.

These were tough times, but moments like these reveal people's character. It was time to open up and talk to our community. To those who recognised this, who reached out to support, talk and check-in on our people, you have played your part in a revival of our spirit and belief in good people and the future direction of the club.

To confront these challenges the management committee established a working group to check on the club's pulse. The task was to ensure MSP remained a successful and sustainable club into the future, considering the changing environment we are in and address any shortcomings that might be affecting our culture and behaviour. This group was carefully selected to represent a cross section of our club and was splendidly led by John Wootton. They asked questions, engaged with our younger members, took guidance from several cohorts across the 51 years of our existence and provided valuable insights of what Marist St. Pats stands for. We have also looked carefully at our operations, and this has revealed much more needs to be done to inspire our people, our future

leaders, and our sense of community. I am pleased to say that changes are well advanced, and we will be ready to enunciate these early in 2022 to all our club members.

Two people who have contributed most to inspiring us and who have led the club for 51 years of success are on the move. We farewelled to the warmer climate of Tauranga both Kevin Horan and Brian Coulter – two men that have shaped everything that this club stands for. They will be greatly missed, and our challenge is to emulate what they achieved to set the club up for another 50 years.

I sincerely thank all those who committed their sponsorship, membership, and commitment during this extraordinary year. Your support continues to help us remain a force in Wellington rugby. In particular, I would like to acknowledge Coolmoves, Higgins Concrete, our back of jersey sponsors, and the Shamrock Club.

The work of the management committee, the sub committees, focus groups who work tirelessly in the background is something we should be very proud of. Very few organisations have the immense capabilities and experience to call on that Marist St Pats has.

The 50th anniversary dinner, ably organised by John Spillane and his committee, was a great celebration of our rich history and the club's ability to bring people together.

Lastly, to our loved ones that passed away, and there were many this year (listed in this report). In particular, I wish to mention Xavier Reidy who was the next generation to join the club and lead our younger players. Having played with his father and uncle, served on the committee with his grandmother and auntie and spent many games watching on the side-line with his grandfather, I know how much this family have contributed and what it means to belong to Marist St Pats. May they all rest in peace.

Have a Merry Christmas and safe holiday season and we look forward to seeing you all again in 2022.

Robert Evans
Chairman

PRESIDENT'S REPORT

Manuia lou 50 tausaga. Happy 50th birthday!

Welcome to all members; from the junior and senior clubs to the families and friends, to the sponsors, supporters, and friends. Thank you for all the hard work that you have contributed to our rugby family club.

We must remember those who have gone before us, who have helped paved the way and shaped MSP to the rugby club it is now.

To all our players and management both women and men, rugby, and netball, thank you for your positive contribution. Thank you for your achievements this year. If you did not win, there is always next year. Our Premier team came second this year in the Jubilee Cup final, second is better than third, so hopefully we are on the way up. This time!

I wish to thank the Board for the work during the year, great leadership by Chairman Rob Evans and all the subcommittees, those that have been working behind the scenes to help strategize for better processes to continue to develop our club. Thank you to all the volunteers during the year at the clubroom and the gym. Great work, team.

A special tribute to the Shamrock Club for their continued financial support, and all our main and minor sponsors that have continued to sponsor and donate funds to help our club financially.

Thank you to all Life Members that continue their great work by attending functions at the clubroom and watching games on the sideline, a great MSP family spirit.

Let's forget all the negative publicity that we encountered during the year, we learn and move forward. It is time to rebuild and have a fresh start to the new season. But we start now!

Sadly, we said farewell to two legends of the club, Brian Coulter and Kevin Horan. May they enjoy their relocation and retirement to the

sunny Bay of Plenty peninsula. I am sure they will be back in the capital attending Old Timers Day!

May you have a safe and enjoyable festive season all. Get vaccinated and stay safe.

Soifua and Good Health

Ken Ah Kuoi
President

CLUB CAPTAIN'S REPORT

The 2021 Wellington Club Rugby season was an overall success for MSP Teams but without the silverware to accompany that success.

The pre-season began with an enjoyable trip to the Spillane Cup in Taupo for our Prens squad, Colts team and MSP Netball Team. All teams performed well on the Saturday, and it was great seeing our Colts team back in action after not fielding a team in 2020. By winning their grade the Prens return to the main Spillane Cup draw for 2022 so will be looking forward to another pre-season trip back to Taupo in mid-March.

The regular season began on April 10, and it was great getting through the entire season without any Covid enforced breaks. Our Premier Team went through the Swindale Shield winning 11 from 13 games and finishing tied on points with OBU, missing out on the Shield due to their close loss to OBU earlier in the season. They played some outstanding rugby during this 13-week period, and it was great seeing the likes of Charlie Hankins, Grady Walshe, Milan Krietich and Kigi Nu'utupu making the step up from Colts and getting some game time with the Premier side. It's a massive achievement playing 150 Premier matches for MSP so huge congratulations also went to Isaia Petelo and Ryan Setefano who brought up this milestone during the Swindale Shield rounds. Congratulations also to Josh To'omaga who brought up his 100th Premier Game this season.

The Jubilee Cup round saw our Premier side win a tough quarter final vs Ories and then produce a brilliant display of rugby in recording a

resounding win vs a strong Norths team in the semi-final. Whilst the final vs Tawa didn't go our way the team and management can be proud of what they achieved in what was a demanding season both on and off the field.

Our Premier Reserve side had a difficult season due largely to the unavailability of many of their core players from previous seasons. Coaches Tinkha Tolova'a and Sonny Whitman did a fantastic job in ensuring we had a team ready to front up and take the field each Saturday and the team produced many courageous displays when playing with the bare minimum of players. Thanks to everyone who fronted up and played for the side during the season. Recruitment of players is a major focus for 2022 and I'm sure that this side will be back competing for silverware next season.

The MSP Women's team had an up and down season which included some great wins and some tough losses. They represent MSP proudly and are often the heartbeat of the clubrooms on a Saturday evening. I know they will be working hard during the off season and am confident they will have a really successful season in 2022. It was great to see Ana Afuie, Lyric Faleafaga and Monica Tagoai named in the inaugural Hurricanes Women's squad for 2022.

The MSP Colts were back with a vengeance in 2021 and it was great seeing them develop over the course of the season. From starting with a win against Taupo Marist at Spillane right through till their close semi-final loss to Petone in the second round of the Colts division, the team played some great rugby and notched up some epic wins. Their team spirit was evident right from the Spillane weekend, and they embraced the MSP values and are the future of our club. With some more recruitment to be done during the off season the Colts can look forward to next season with confidence.

The MSP U85s, MSP Internationals and MSP Pressies all performed admirably over the course of the season. The U85s season ended with a gritty win against the Axemen in the Barbarians U85 Cup, the MSP Internationals made the final of the Reserve Grade and the MSP Pressies hold the Presidents Cup for the summer after winning it off Norths out at Porirua Park which is no easy feat.

Congratulations to all our players who have been selected for representative teams. It's great to see MSP represented in these teams and is testament to the hard work and sacrifices these players have made during the season.

Thanks to all the coaches, managers, and volunteers across all grades for their support and assistance this season. The 2022 season will be upon us before we know it, so work is being done behind the scenes by many people to ensure MSP is ready for a successful season. Enjoy the summer and see you in 2022.

Mike Renouf
Club Captain

FINANCIAL REPORT

The 2021 financial year has resulted in a reported loss after depreciation of \$25k. Our revenue increased by \$67k compared to 2020 (a 21.5% increase); we comment on the key areas as follows:

- Sponsorship increased by \$35k. The club gained two major sponsors in Coolmoves and Higgins Concrete this year. Securing back of jersey sponsors for 2022, whilst retaining our existing sponsors, will be extremely important to the club's future cash flow.
- Bar sales were up \$26k compared to last year. This is due to a number of well-attended nights at the clubrooms during the season, the 50th Anniversary celebrations and an increase in the number of external hires of the clubrooms.
- Grant income was \$45k lower due to COVID-19 challenges faced by these organisations. We had a number of applications declined and are of the view that grant funding will become harder to secure in the years to come. The club did not receive any grant funding from Pelorus Trust, Lion Foundation, or Sport New Zealand in 2021. There were still however a number of community trusts who were very supportive of Marist St Pats this year.

- The Shamrock Club, through its great efforts, generated a surplus of \$24k. It is an outstanding result considering it includes \$22k of costs relating to the previous year. The Shamrock Club result highlights the important role it plays in the financial success of Marist St Pats.

It is also worth noting that the \$100 Raffle that was supposed to take place in September 2021 was postponed due to the lockdown. This means that approximately \$9k of additional revenue will have a positive impact on the 2022 financials.

Whilst our revenue significantly increased, so too have our expenses. They increased by \$82k from 2020 (a 28.2% increase); we comment on the key areas as follows:

- The biggest portion of increased expenses this year relates to the Shamrock Club costs of \$42k including \$25k which was not recognised in the 2020 financials, the one-off 50th Anniversary costs of \$18k which was well covered by the revenue generated from ticket sales for the dinner plus the legal fees of \$13k incurred by club.
- The Director of Rugby role accounted for \$78k, of which \$45k was funded by the Wellington Rugby Football Union.
- Our rugby costs decreased by \$3k. Significant costs included purchasing medical kits, new jerseys for the premiers, colts, and women's along with new match and practice balls which was partially funded by grants. The cost of the off season trainer was \$5k. Physiotherapy fees for the year were \$5.2k which was an increase of \$2.7k on the previous year. Lost opportunities include a very low collection rate of player subscriptions in 2021.

The continued monitoring of all expenses will be vital to the financial success of Marist St Pats and emphasises the need to manage our cash flow tightly. As is the case in all amateur sporting organisations, the work and commitment of a number of people deserve to be acknowledged. For all their energy, efforts, and constant support in generating funds for Marist St Pats in 2021, special thanks must go to:

- Air Rescue Trust, Four Winds Foundation, Grassroots Trust, Lion Foundation, New Zealand Community Trust, Coolmoves, Higgins Concrete, Mahony Horner Lawyers, Advance Electrical, E.N. Ramsbottom and the various sponsors of our premier team's jerseys, whose support of the club is gratefully acknowledged.
- The Shamrock Club, for a great financial result, achieved through their fundraising events and promoting Marist St Pats to our corporate sponsors. Thanks again to Brian McGuinness, Peter Woods, Alan Woods, Bob Metcalf, Tony O'Brien, Steve Witkowski, Luke Meredith, Paul Stephen and Richard Renouf for your ongoing commitment to Marist St Pats.
- Melissa Moroney for keeping Xero current, ensuring the invoices were paid to creditors in a timely manner and our debtors were invoiced.
- Brian Coulter and MaryAnn Spillane for their tireless efforts in assisting with the financial responsibilities of the club. I want to highlight MaryAnn in particular for her thorough analysis and contribution to the presentation of this year's accounts.
- Rory McNicholas for his excellent efforts during the year managing our grant revenue from the various community trusts.
- Peter Woods and Alan Woods for organising the clubroom hires, clubroom staff and suppliers alike, and ensuring the clubrooms were kept in the best possible condition.
- Dave Woods for all of his hard work maintaining the gym and identifying a number of cost savings for the club.
- Andy Bell and Peter Woods who managed our \$100 Raffles; these raffles continue to provide great support to the club.
- Mike Hansen for introducing the 500 Club, an initiative which has been thoroughly enjoyed by all its participants this year. I urge you to support this in 2022 by signing up to become a member.

- Our Junior Committee, and particularly Bevan Brocklehurst, along with their sponsors the Tietjens family and In-Depth Builders.

Marist St Pats continue to face financial challenges. The focus for 2022 should be on developing and implementing a balanced budget where our revenue covers our expenses.

Lourdaiz Ah Chong

50TH ANNIVERSARY REPORT

Originally scheduled for Queen's Birthday weekend 2020, the date was not the only thing impacted by Covid. A shift of venue for the celebration dinner from Te Papa to the Clubrooms saw the event paired back from 450 guests to around 270 and, of course, the many club members living overseas who had registered for the 2020 event and were planning to return to New Zealand, were locked out due to border restrictions and MIQ issues etc.

But despite all of this, or perhaps because of this, the weekend was a splendid success in all respects!

- Hosting the Friday night dinner at our clubrooms, surrounded by 50 years of memories and successes, felt right
- Having Tony O'Brien catering this special dinner, felt right
- Holding all the weekend's events at the one location (our house) felt right, and
- Benefiting from the organisational genius and experience of the Woodsies, felt right

Whilst we were all disappointed the majority of overseas guests couldn't make it, we were delighted by the response of club members from all around the country to the call home, the weekend being blessed by a Covid Level 1 designation.

For many, the highlight of the weekend was the naming of the 50-year team (see below). Selecting a team from all who have played in the jersey since 1970 was always going to be a tough job but a suitably “qualified” group was

assembled and tasked with the challenge of naming the MSP 23.

The team was announced at the Friday night dinner and each player named in the 50 Year team received a commemorative jersey and a resounding reception from all present.

Two of the named players who were trapped overseas – but would have loved to have been there in person (John Schuster and Victor Vito) - recorded videos which were played on the night, and it was very special to see Victor’s mother there to receive his jersey for him.

It was absolutely brilliant that so many of the team were at the dinner and able to receive their jerseys in person and share a few thoughts about their time at MSP with our MC for the night Tony Duffin. Tony’s preparation and professionalism shone through (again) on the night, entertaining and engaging his audience. He has performed MC duties at many MSP events over the years but commented this was the hardest event he’d ever done – Tony, we think it was your best!

The weekend continued with a full-on Saturday - with a Past Players luncheon, the Premiers playing (and comprehensively beating) Upper Hutt on Hataitai Park, followed by the traditional clubroom camaraderie, catching up with old mates and enjoying each other's company.

The Saturday celebrations were topped off with Matt Calvert's band, Man Down, playing and MSP partying like a Jubilee Cup win.

The weekend's activities concluded on Sunday with an uplifting Club Mass celebrated by John Cardinal Dew and our very own Fr Barry, followed by a relaxed luncheon to farewell the travellers and allow the locals to wind down.

The organising committee did a sterling job of planning the original 2020 event and then resetting expectations and re-planning for the 2021 weekend. Special mention must go to Pat Martin, Peter and Alan Woods for their exceptional efforts, and, of course, the inimitable Brian Coulter, for keeping us all on track.

So, the book is closed on the first 50 years, a solid blueprint to follow, I would have thought, as we face the challenges that await the club in the next 50 years...

John Spillane

Convenor, MSP 50th Jubilee Committee

SHAMROCK CLUB REPORT

For the second year running the Shamrock Club along with many other aspects of the club was again a casualty of the Covid 19 pandemic.

Unlike last year at least we managed to have the season launch which was held at Sky Stadium for the Hurricanes v Highlanders Super Rugby match on Friday 30 April.

This proved to be a great occasion with members enjoying an excellent buffet meal and refreshments with the evening topped off by the Hurricanes having a great win over the Highlanders.

The test weekend was planned for the All Blacks v Australia Bledisloe Cup test match on Saturday 28 August.

After being unable to hold a Dinner last year we were very excited to have secured Scott “Razor” Robertson as our guest speaker for this year’s dinner.

Tickets had been printed and with a full house of 400 the dinner was going to be the highlight of what was shaping as a great test weekend only for the country to go into a second Level 4 lockdown.

Plans were in place to postpone the dinner till a new date was announced. Unfortunately, the test was transferred to Auckland and Wellington ended up with no test match this year.

Fingers crossed for 2022!!

Finally in November restrictions were lifted enough to allow the Shamrock Club to have an “End of Year” function. This was held at New Zealand Rugby House and was an enjoyable evening giving members a chance to catch up after another disrupted seasons programme.

Despite the problems of the last 2 years membership of the Shamrock Club has remained high. Again, we have exceeded over 60 members which is a very positive number considering the trials and tribulations many businesses have had to encounter over the last 18 months.

For that Marist St Pats are extremely appreciative of the Shamrock Club members who have remained loyal during this period.

As mentioned earlier in the Annual Report the club’s finances have been stretched during this difficult season and through your generosity and commitment to Marist St Pats and the Shamrock Club that has played a large part in allowing the club to survive.

We now look forward to 2022 where hopefully life has returned to some normality and the Shamrock Club can offer a full programme to its members.

Covid again disrupted club rugby in 2021 and it wasn't until January that our pre-season training got underway. However, we were fortunate to have the services of Lions and Hurricanes trainer, James Dickie, and he did an excellent job in getting the boys in top shape.

When we went to the Spillane Cup in Taupo for our first game, which saw a big win against Rotorua Marist, his excellent conditioning was obvious and several people commented that it looked like we already had several games under our belts.

After another big win, against Nelson Marist a week later, it was straight into our first Swindale Shield game, a tough 25-3 win at home against Marist rivals Hutt Old Boys Marist. Three more good results followed, including a 45-25 win against Norths and 45-8 victory over Poneke, and the season was shaping up well. Then came the 20-18 loss to Old Boys University. It's a pity the events at the end of that match hit the headlines because it was an outstanding game of club rugby played in front of a large crowd at Wellington College.

Two weeks later came our only other loss, 23-27 away against Tawa. However, there were some excellent other first-round results — the 40-14 win over Ories at the Polo Ground and a 50-7 win over Petone in the second-to-last game. In the final count, our two narrow losses proved costly — although we finished on equal competition points with OBU and had a better points differential, they claimed the Swindale Shield through their earlier two-point win.

The shortened Jubilee Cup round took on an Aussie league-style format this year where virtually every game was a final. By this stage, our depth was becoming an issue with the premier reserve team not having the outstanding results of previous years, and injury losses such as the broken leg to co-captain Tom Martin and head knocks to Vince Sakaria. On the upside, we had been able to introduce several colts' players to premier

rugby. We ended up using nearly 30 players in our premier one side in 2021, whereas in other seasons up to 50 players had tasted premier one rugby as a result of injury, illness, unavailability, loss of form and rotation.

We won our first Jubilee Cup match, 18-13 against Ories then had a week off before playing a semi-final against Norths at home. They had All Black TJ Perenara running the cutter and in an outstanding game of club rugby we came away with a 48-26 win. The intensity of that match took its toll, however, when we fronted next week against Tawa in the Jubilee Cup final at the Hutt Rec.

With a Wellington Lions game the night before plus injuries and a suspension, we went into that match with eight front line players missing. Congratulations to Tawa though who turned up ready to play and put on a top defensive effort to come away with a comfortable finals win. Little moments count in big games and twice when down 18-0 and hot on attack, we lost the ball – once to a turnover and once penalised. Unfortunately, flanker Ryan Dafel also broke his ankle.

Overall, although we haven't quite nailed the big one in the past two years, we've had some top moments with a Jubilee Cup final and Swindale Shield win. I'm confident we can go one better in 2022.

We had a very good senior leadership team in the 2021 squad with our co-captains, James Tuiatua and Tom Martin, proving excellent leaders with different styles that balanced each other. Many thanks to my assistant coaches, Fa'atonu and Lua, and to the management team of Mike and MSP legends Soody and Porky. Our physio, Olivia Rawlinson, did a great job of keeping the boys injury free for match day and thanks too to Brendan Reidy for his coaching help behind the scenes.

It was a tough year with all the negative publicity, but everyone stuck together and we appreciated the support from the club and the wider MSP community. We're just there to play hard and honest rugby and do our best to represent what's best in Marist St Pats on and off the field.

Zak Feaunati
Head Coach

PREMIER RESERVE

No report received.

COLTS

This year presented both a challenge and great opportunity to rebuild the MSP Colts, following a difficult year with COVID creating a set of circumstances that meant the 2020 Colts did not really get off the ground. The events of the last year also demonstrated why it is so important to bring people together and support them in their life and in their rugby, and this became the driving force behind the MSP Colts for 2021.

The start of the season was difficult with the passing of Xavier Reidy, this impacted many of us and this team took the opportunity to celebrate Xavier's life and to support all those we could in difficult times. Brendan and Paula donated a trophy for a game between the Colts and St Pats College and a player of the day jacket, and it was a huge success. Although SPC won on the day, the spirit was evident throughout and gave us all pause to reflect.

The early part of the season was testing, with just 13 players for the Spillane Cup. Despite this slow start on the numbers front, the players that represented MSP did so outstandingly. Taupo Marist donated some players and what followed was a master class in summer rugby that gave the side some real momentum, defeating an older Taupo Marist side. The quote of the day was from a senior member of the Taupo Marist team who played with the Colts side – who created an air of confidence in the young side by letting them all know age made no difference – get stuck in and enjoy it – in not so many words of course. The team responded scoring some great tries.

Our numbers slowly built, and we played preseason games against Johnsonville and Upper Hutt supported by some reserves from the College who wanted to come along, younger brothers of some of the team. Johnsonville was a 10 a-side game, underscoring the challenge of finding players and engaging them in rugby, and Upper Hutt was an excellent game of rugby where the team started to find its shape.

We finally reached a full squad for the SPC game and uncovered a few new players and the return of some SPC old boys that was significant for the season ahead.

We entered the competition a little under done, however our first game against Hutt Old Boys Marist was a tight close game that was won with a penalty in the last second. We were underway.

What followed over the next few weeks was an exciting run of games, beating Petone in a tough match, Ories with a great performance, but losing to Tawa - a team we struggled against all season, then eventually losing 29-26 to OBU in a stunning game of rugby where the MSP team showed some brilliant touches to put OBU on notice that we are back. We ultimately finished second in the first round.

The second round was really tough, and our depth was tested with some of the team who live out of town returning home for the university holidays. The squad showed some real grit, again beating Hutt Marist, this time really well – with only 15 men! This proved pivotal in qualifying for the semi-finals on a count back. We used a range of players some of whom gave up their Saturday to help us out, however we had a loss to Petone, beat Ories in the rain in a very close game under COVID restrictions and suffering a loss to Tawa again. Finally, back at full strength with a training run, we again had a go at OBU - who prevailed in another excellent game at Kelburn Park.

We then took on Petone in the semi-final and gave a brave performance after a slow start going down 31-21. The season however was a success, the MSP Colts are back, the team demonstrated great character, and embraced the club, and we really appreciated the huge interest in our progress during the season. The manner in which the team conducted themselves is a credit to the young people who joined Marist St Pats this year and who will over the next few years will be pivotal in the club's future success.

Thanks for the extended coaching team who all contributed their time to building the team, and to the players from all over NZ who joined MSP.

Matt Christie
Manager

PREMIER WOMEN

This year our season was much shorter due to less women's teams in each grade and possibly COVID.

This year we had a change with the departure of one of the back coaches Lucky Tuiatua. That change brought in a female player's perspective with veteran Anna Darling as back's coach replacement working alongside Mui Liumaihetau.

Highlights of the year:

Medical Team joining the management team – Luke Donaldson and Kathryn McConville ensuring the team were safe and fit to play and recovering well from injuries – greatest asset to the team health and wellbeing.

Club celebrated two OG's receive their blazer of reaching 50 games - Emelemoa Makisi and Anna Darling.

New players joining to develop themselves and learn more about the game.

Four of our players are in the Lions Pride Squad.

On the field our first game against Ories was a highlight though we didn't win, and we could've won – but the score of the day was 31-29 to Ories which in itself was victory enough for our team to build the belief that we are capable of winning.

The rest of the season we had very good wins and terrible losses. However, on the days we won great rugby was played and the games we lost revealed to some degree the lack of internal work the ladies needed to maintain their fire and grit on the field to match their rivals. Having said that the Ladies put in their all with their bodies, soul, and their commitment to trainings. Unfortunately, we came up short of a placing this year due to strategic plays.

The takeaway from this year I've heard the Ladies mention is the addition of the Medical Team, having them there has been amazing for their health and recovery, the culture of MSP and how they respect their coaches and

management team and appreciate all that is done for them. They all enjoy their sisterhood within the team and are proud they represent Marist St Pats, as well as eagerly awaiting next season.

Valerie Moon
Manager

UNDER 85 REDS

2021 was a year of learning and growth for the Under 85 Reds. With a large number of new players joining the team, the majority of them college leavers, our main focus for the season was learning to gel as a team and developing essential skills in our players.

Unfortunately, our season's track record did not turn out as we would have hoped, however we still had some great highlights.

One of the biggest success stories was the introduction of the Richard Kilkenny Challenge Cup. The Kilkenny family has contributed years of hard work to MSP club and the Under 85s grade, having established one of the very first teams in Wellington. To honour this, we introduced a challenge cup for every regular season match played against Wellington. The boys took a lot of pride in taking home the Cup in the inaugural match, winning 35 – 29.

Our team was, once again, victim to the COVID curse as we went back into lockdown in late August. The result was the Red's being unable to continue in our first year competing in the Under 85kg national knockout tournament, the Barbarians Cup. We were set to play Avalon in Round 3 the weekend we went into lockdown and by the time the tournament was back up and running, player numbers and safety meant we weren't available to continue.

Covid restrictions also resulted in the 80's night being delayed for a second time, but we remain undeterred and will definitely be hosting this event in 2022.

Massive shout out to the rest of the Reds' management team; Malcolm (a.k.a Mumba a.k.a our Vatican Army Pope), Reuben and our coach Gregor. It's been a long, tough season but your consistent hard work and

commitment to the team is outstanding. To Jackson Martin and Calum Bron, our co-captains, your guidance and how you captain by example is inspiring to the rest of the team. There is a reason the two of you were our prizegiving recipients for this year, you're true leaders.

A huge thank you to MSP's awesome players, managers, coaches, committees, and members who keep our great club running. We look forward to seeing you all in 2022.

Kate Clapperton
Manager/ Boss Lady

PRESIDENTS MH LAW CLASSICS

Well, another season completed for the MH Law Classics and the season produced the winning season we were hoping for with seven wins from nine; for 237, against 149; which saw us ending up with the Presidents Cup. The highlight was just getting on the field with Covid drastically affecting our season especially the final round for Presidents Day.

One of the season's big success stories was seeing our new recruits from the year before starting to develop into great rugby players. The team really started showing great spirit and determination in retaining the cup in the last two home games.

A few notable mentions. Firstly, Shane Whitehead no 6 for winning MVP for the season. He had an outstanding season with his straight-line running creating havoc in opposition defences and making some huge hits. Arnold Politini no 9 our top try scorer with 12 tries. Dale Robinson playing in his 18th season of Presidents rugby and his defensive tackling. Max Curtis and Jeff B with their devastating tackling and being everywhere, menacing the opposition. A big thanks to the guys that turned up every week, you know who you are and without your dedication we wouldn't have a team. James Diamantis for volunteering to referee and keep us honest. It's a hard job and with the constant abuse from our own players. Finally, Fred, Cal, and Mick for leading the team

this year with great mana. The lads would like to thank the club for their support during the season, the teams own loyal band of supporters, and the long-suffering wives, girlfriends, pets and kids who had to put up with all the excuses, and aches and pains that a rugby season delivers each year.

Lastly the team would like to thank our sponsors Mahony Horner Lawyers (<https://www.mahonyhorner.co.nz/>) who every week keep our throats from getting too dry and with their support we are able to get the over 30-year-olds participating in the game. Also come see me (hfidow@sharp.net.nz) for any copier, visual signage, and screen solutions - all sales made will help towards team funds.

Henry Fidow

Manager, Coach, and all-round legend

MSP NETBALL

MSP JUNIOR RUGBY

The 2021 season got off to a positive start with some fresh energy on the junior committee. We held the first junior night on the first round of the season this year. This worked really well and provided an early opportunity for players and parents to socialise and get acquainted with the clubrooms. We extended our junior club merchandise range as well and this was well received and proved popular.

Across the junior club we had 192 registered players, which represented a small increase from 2020. There were an additional 31 children registered in the Little Rippas nursery grade. On the playing field it was great to see MSP and Poneke partner together to field a combined U13 Eastern Suburbs team. Thanks to David Isaia for taking the lead there. Likewise, we had a new co-ordinator for the Little Rippas nursery grade and Sam Duncan did a fantastic job building enthusiasm amongst our youngest club members.

Unfortunately, rugby came to an abrupt halt in mid-August as the country went into lockdown. This resulted in the final two games being cancelled

and it felt like an empty way to sign off on the season. The silver lining was that we managed to arrange team photos and a junior prize-giving once we returned to Level 2. These were really well attended and provided a fitting end to the season. It was deeply unfortunate though that the U11, U12 and U13 teams were unable to attend the Taupo Junior Rugby tournament they had fundraised for as it was cancelled for the second consecutive year.

I want to say a huge thank you to all the coaches, committee members, volunteers, and parents for their contributions during 2021. Amongst the uncertainty of the pandemic and the media attention focused on the club, MSP juniors bring kids and families together in a supportive and fun environment and will continue to do so in 2022.

Bevan Brocklehurst

Statement of Accounting Policies

Marist St Pats RFC

For the year ended 30 September 2021

Reporting Entity

These are the financial statements of Marist St Pats RFC. Marist St Pats RFC is an incorporated society registered under the Incorporated Societies Act 1908 and is engaged in the operations of running an amateur rugby club.

Basis of Preparation

The entity has elected to apply PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) on the basis that it does not have public accountability and has total annual expenses equal to or less than \$2,000,000. All transactions in the Performance Report are reported using the accrual basis of accounting. The Performance Report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

The financial statements have been prepared on an historical cost basis, unless otherwise stated and all figures are presented in New Zealand dollars.

Changes in Accounting Policies

There have been no changes in accounting policies. Policies have been applied on a consistent basis with those of the previous reporting period.

Goods and Services Tax (GST)

The entity is registered for GST. All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

Income Tax

As a promoter of amateur sport, Marist St Pats RFC is wholly exempt from New Zealand income tax under section CW46 of the Income Tax Act 2007.

Bank Accounts and Cash

Bank accounts and cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

Receivables

Receivables are stated at their estimated realisable value. Bad debts are written off in the year in which they are identified.

Revenue

Marist St Pats RFC receives revenue in the form of members' subscriptions, sponsorship, grants, donations, fundraising, bar sales and merchandise sales. All revenue is recognised in the period in which it relates to.

Inventory

Inventory is stated at the lower of cost or net realisable value.

Fixed Assets & Depreciation

The entity's classes of fixed assets are detailed in Note 5. All fixed assets are recorded at cost less accumulated depreciation. Depreciation has been calculated at the maximum rates permitted by the Income Tax Act 2007.

Depreciation has been provided on the following basis:

Furniture & fittings - 20.00% diminishing value

Plant & equipment - 10.00% diminishing value

Clubrooms - 2.50% diminishing value

Office equipment - 20.00% diminishing value

Leasehold improvements - 10.00% diminishing value

Artificial turf - 10.00% straight line (to reflect 10 year life of turf)

2021 2020

6. Accumulated Funds

Accumulated Funds

Opening Balance	462,804	474,096
Net surplus / (deficit) for the year	(25,249)	(11,292)
Total Accumulated Funds	437,554	462,804

Total Accumulated Funds	437,554	462,804
--------------------------------	----------------	----------------

7. Audit

These financial statements have been subject to audit. Please refer to the Auditor's Report.

8. Commitments

The Clubrooms are insured for \$1,680,000 building replacement cost. The valuation for insurance purposes was performed in May 2014. The Clubrooms are reported at original cost less accumulated depreciation.

The land on which the Clubrooms are situated is leased from the Wellington City Council. The current lease is for 10 years and expires in 2026.

The Gymnasium is leased from the St Patricks College Board of Proprietors. The current lease is for 21 years and was signed on 1 February 2001.

9. Contingent Liabilities and Guarantees

There are no contingent liabilities or guarantees as at 30 September 2021 (Last year - nil).

10. Related Parties

There were no transactions involving related parties during the financial year.

11. Events After the Balance Date

There were no events that have occurred after the balance date that would have a material impact on the Performance Report (Last year - nil).

12. Ability to Continue Operating

The entity will continue to operate for the foreseeable future.
