CHAIRMAN'S REPORT

2023 kicked off with an Under 23 development trip to Sydney where 28 players made the trip for 7 days to play Sydney University, Manly, and Norths. The trip was an outstanding success winning against Sydney and Norths and narrowly losing to Manly. Many of these players are going to form the backbone of MSP senior men's teams for years to come and have created lasting friendships.

Once the season got underway it was a year in which the Premier Women's team continued their recent growth and development to be crowned both the first round Rebecca Liua'ana Trophy champions and the second round Tia Paasi Memorial Trophy champions. This was an outstanding achievement of strong leadership, management, and teamwork. They made a big impression on the club and were the best attendees at the club rooms throughout the season. Many congratulations to all those involved in the team, your results are something to be very proud of.

The Premier Men's team returned one of the poorer results in the club's history losing the Hardham Cup Final to Petone while elsewhere other teams struggled to reach semifinals this year. Fitness and injuries were a big part of our struggles, and this is something we look forward to addressing for the 2024.

A huge congratulations to all the teams, along with the coaches and the players who went on to representative honours. I would like to thank Li'i Alaimoana for his contribution over the last two years as our Game Development Officer and as the Colts Coach and we wish you well in your future career.

Financially the Club could not achieve the same gains we made in 2022, but to invest a significant amount in the future development of young players and achieve a small surplus is still a satisfactory fiscal performance. Finer details of the years financial performance can be found in the Treasurer's Report.

As we ready ourselves for 2024, the appointment of Sean Horan as Director of Rugby will refresh and reenergise the Club with his extensive club history and professional career in rugby coaching and development. Welcome back Sean.

I sincerely thank all the volunteers and committee members who help our club continue to remain a strong force in Wellington rugby and have made a huge contribution to a positive rugby experience for everyone.

Our committed sponsors and Life Members continue to help us achieve these goals. I would like to acknowledge John Flynn at Coolmoves, Mike Botherway at Higgins Concrete, our back of jersey sponsors and the fabulous Shamrock Club for again providing the club financial security to keep developing and improving our facilities and our people.

Have a Merry Christmas and Happy New Year. Safe travels wherever the holiday season may take you and your family.

Rob Evans
Chairman

PRESIDENT'S REPORT

It has been an honour to again be President of the Marist St. Pats RFC during 2023.

The history and traditions of this great Club continue to run wide and deep. They continue to be respected by those in both the rugby, netball, and wider community.

I would like to acknowledge the many within the Marist St. Pats community who gather in a spirit of camaraderie to serve on countless committees, prepare meals, clean facilities, coach and manage teams, and provide financial support. Amongst these volunteers, friendships are formed, and families are cared for at times of sickness and hardship. Whilst the joy found in sport, the beauty of physical fitness and activity, is of benefit to all often it is the values and mentoring learnt within amateur sports that can be "game changing" for individuals as they go on to become "good" citizens. Congratulations and thanks to all of those who have been prepared to be involved during the 2023 rugby season.

The season commenced with a successful development tour to Sydney for the Clubs emerging players, and I would like to acknowledge the immense time and energy that went into organising and fund-raising for this tour. Another milestone in the Club's rich history.

Congratulations to the Women's teams at the Club; the trailblazing *Premier Women's Team who won every trophy available to them*; the Division One Women's Rugby final - the Tia Passi Memorial Cup together with the Rebecca Liua'ana Cup and the team who held the inter-club Challenge Cup from the 2022

season. And to the Senior 2 Netball team who also won the Grand Final for their grade.

There were also other promising signs as many teams and individuals represented the Club with pride and distinction:

- The netballers, supported by their families, represented Marist St. Pats with pride and distinction during 2023. The Senior One netball team reached their grade semi-final, and the Senior Two netball team won their Grand Final.
- The Premier Men's team qualified for the Jubilee Cup. On the upgraded qualification rules, the Premier Men's team qualified for the Hardham Cup final against good friends Petone RFC.
- The Premier Men's team, and the Premier Reserve Men's team, were affected by a staggering run of injuries as the season progressed and it was notable that younger players and emerging coaches showed immense potential when the opportunity to step up presented itself.
- The Men's Under 21 Colts team reached the semi-final of their grade, after an impressive number of lead-in matches.
- The Under 85kg represented the Marist St. Pats family with graciousness.
- The Reserve Grade Internationals also continued their impressive run of form by making their Grade semi-final once again.
- And the backbone of any Club; the Presidents grade continued their support of the Club.

The Marist St. Pats Shamrock Club was exceptional in its support for the Club. The Annual Dinner, held at St. Patrick's College, was a great night with Tony Duffin as MC and Tofiga Fepulea'i as a wonderful guest speaker.

During the season, the Club continued the strong links with St. Patrick's College and other colleges especially through the Marist network.

Can I also recognise the Marist St. Pats supporters, donors, and members who help keep this Club to the fore of being able to support the development of young men and women. And to be able to provide wonderful Clubrooms and training facilities.

The Club was fortunate in having Rob Evans as the Chairman of the Management Board and I extend to Rob and his professional team my heartfelt thanks as they negotiated their way through a number of issues that inevitably arise during a

season. To paraphrase US President Teddy Roosevelt *“it is not those who may criticise that count nor are those who point out the stumbles or where the doer of deeds could have done them better. Credit belongs to those who are actually in the arena, whose face is marred by dust and sweat and blood”*. Thank you to those who have been involved!

Marist St. Pats does so well as a Club. Members’ ongoing interest in the Club means a lot to players, coaches, and administrators. Enjoy the summer break (many will now be preparing MSP for the 2024 season) and remember 1. The Club, 2. The Team and 3. Yourself.

John Holden
President

CLUB CAPTAIN’S REPORT

Looking back to the start of the year, Marist St. Pats embarked on a successful tour of Sydney with a development squad (under 23) featuring a mix of players with Colts and Premier experience along with five school leavers. The side recorded wins over Sydney University and Northern Suburbs. There was some great rugby played and strong relationships forged off the field. I would like to thank all who supported our fundraising efforts particularly our major sponsors Mahony Horner Lawyers (Tom Mahony), Higgins Concrete, Coolmoves, and the Shamrock Club.

The 2023 season saw our Premier Men finish fifth in the Swindale Shield, amid a number of injuries, to make the first round of the Jubilee Cup playoffs losing 20-25 to eventual winners Oriental Rongotai at Hataitai Park. It was a disappointing end to the season for the team having dropped into the Hardham Cup and losing to Petone in the final. Our Premier Reserve side advanced to the Ed Chaney Cup semi-final after a convincing 47-17 quarter-final victory over a higher ranked Hutt Old Boys Marist but their season ended with a 20-32 loss to Ponoka. Our Colts team went down 14-28 in their John E Kelly Memorial Cup quarter-final to eventual winners Oriental Rongotai.

The highlight of the year was the remarkable season for our Premier Women who won the Tia Paasi Memorial Trophy for the first time defeating Petone 36-32 in a thrilling final. The victory capped off a dominant season for the side in which they won 10 of 11 games and collected the triple crown of all Wellington rugby silverware - the Rebecca Liua’ana Trophy, the Tia Paasi Memorial Trophy and the

Challenge Cup. Marist St. Pats had 14 players included in the Wellington Pride squad that is by far the biggest representation our club has ever had in the side. Ryan Setefano was named as the assistant coach for the Farah Palmer Cup campaign. Congratulations to our players, coaches and managers. You have created history!

I would like to welcome our new Director of Rugby Sean Horan and thank our Game Development Officer Li'i Alaimoana, who stepped down this year, for his service and contribution. The club would not be able to function if it were not for all of our players, coaches, managers, sponsors and volunteers. Thank you for your continued support.

I would like to wish everyone an enjoyable holiday period with family and friends.

I look forward to seeing you all next season. Let us make 2024 a year to remember!

Lourdaiz Ah Chong

Club Captain

FINANCIAL REPORT

2023 has been another demanding year at the Marist St. Pats Rugby Club. The Finance Sub-Committee has been working hard to support the club, and there have been several initiatives to help grow and maintain the infrastructure that we have.

In 2023, we had revenue of \$450k and expenses of \$438k compared to \$360k and \$275k, respectively, for the 2022 year – a reflection of the continual build back to a full rugby calendar and related activities following the COVID years. We had additional fundraising, sponsorship, and grants flow to the Club in 2023, which helped with our financial results and supported our Colts trip to Australia.

The Clubrooms continue to be a vital revenue stream for the club; bar sales and Clubroom hires continue to grow on previous years, and we again would like to recognise the great effort by the management team, sponsors, and supporters that continue to support us and keep the clubrooms running constantly.

During the year we received a \$30k grant from New Zealand Rugby as part of the Silver Lake deal that is tagged towards improving the club infrastructure; these

monies will be spent in consultation with the Management Committee and Club members and are currently invested in a Term Deposit.

2023 saw the end of Wellington Rugby Union Community development funding, the Management Committee continues to work through solutions on how the relevant positions at the Club are funded.

Expenses were up this year compared to the previous year. This was due mainly to the Colts Australia Tour, our preseason trip to the annual Spillane Tournament, and raising insurance costs added to our club room costs.

The result for 2023 saw a surplus of \$12k operating profit (before depreciation). The following are key items for the year:

1. Trust grant revenue increased by \$12k despite less grant funding being available. The club acknowledges and thanks the Trusts for their significant positive impact.
2. Bar sales (\$80k) up \$16k from 2022. Clubroom hire was up also thanks to our regular weekly booking along with continued management of this asset.
3. There were several fundraising initiatives, including another successful golf day, a stand-up comedy night, and the return of the quiz night and \$100 Raffle.
4. We are incredibly fortunate for the loyal support of The Shamrock Club membership.
5. WRFU GDO programme income decreased by \$10k due to the conclusion of the program.
6. Club membership subscriptions and donations increased by \$7k. This was primarily due to the increase in playing and non-playing subscriptions.
7. Naming rights and jersey sponsorship remain positive across the club.

Finally, I would like to thank Finance Sub-Committee members Matt Buck, Martin Paget, Katrina Bailey, and Melissa Moroney for their hard work throughout the year.

David O'Hagan
Treasurer

HOUSE REPORT

Thank you for all the people that volunteered to help look after our Clubrooms, our house our rugby family house.

We are still looking for more volunteers for this small but useful sub-committee. So, if you are available and are keen to help then please step forward and be part of this great club.

It is only for the ruby season, which is from March to August, not that long. Some of the work includes:

- Oversee ensuring the Clubrooms is ready.
- Resetting chairs and tables.
- Organising Bar staff.
- Organising meals for Visiting teams.
- Organising hiring for events.
- General managing & hosting people/events.

Contact me or Maria if you are keen to volunteer for the 2024 rugby season.

Enjoy the festive season.

Manuia le Kirisimasi & Tausaga Fou.

Deputy Chair

THE SHAMROCK CLUB REPORT

The Shamrock Club has had another successful year. Again, we had to think outside the square to give its members excellent value and entertainment.

The Season's launch was held at Sky Stadium for the Hurricanes v Brumbies Super Rugby match on 28 April. This was a great occasion for the 120 Shamrock members and their guests who enjoyed a superb Buffet meal and refreshments before the Hurricanes added the icing on the cake with a great win over the Brumbies.

With no test match being held in Wellington this year we had to come up with an alternative to our normal test match weekend functions.

We tried to replicate what we had done in 2015 by taking the Shamrock members to an away test match. Unfortunately, with the FIFA Women's World Cup taking the major of stadiums out of circulation, and therefore limited seating at the matches, this could not be achieved.

It was decided to then bring the All Blacks v South Africa test to Wellington.

The Shamrock Club held its traditional Pre-Test "Celebrity" Dinner on 15 July at the recently refurbished O'Shea Performing Arts Centre at St. Patricks College followed by watching the All Blacks v South Africa test, being played in Auckland, on the 3 huge screens that had been erected on the stage.

The evening was an outstanding success with our guest speaker; one of the original Laughing Samoans and a renowned international comedy star, Tofiga Fepulea'i. He had just returned from touring the USA and entertain us he did. From the time he got up till when he sat down, he had the audience in stitches with his stories. I think we could have listened to him all night if the rugby was not on.

Thank you Tofiga for the wonderful night.

Next up was the test match and what a test match it was. The All Blacks produced the best 40 minutes of rugby seen by them for a long, long time. They absolutely blew the Springboks off the park (if only they could have repeated that in the World Cup final!).

An absolutely outstanding game of rugby which just added to what was an already great occasion.

A very special thanks to Tony Duffin who received a late call up to MC the evening. Legendary MSP All Black and double World Cup winner Victor Vito was going to speak at the dinner but unfortunately had to rush to Samoa when his father took ill, so the SOS call went out to Tony. As always Tony did an outstanding job, and we appreciate him stepping in at the last minute.

To Tony O'Brien and his wonderful team thank you for the excellent buffet provided which just added to the great night.

Despite the problems of the last 3 years, membership of the Shamrock Club has remained high. We have exceeded over 60 members which is a very positive number considering the trials and tribulations many businesses have had to encounter over that period.

Marist St. Pats are extremely appreciative of the Shamrock Club members who have remained loyal during this period.

We now look forward to 2024 and with test match rugby returning to Wellington the Shamrock Club can offer a full programme to its members.

PREMIER MEN

After being a beaten Jubilee Cup semi-finalist in 2022, the goal for the Premier Men's team was to ensure they were once again competing for the holy grail of Wellington club rugby in 2023.

Under the guidance of new head coach, Fa'atonu Fili, and his able assistant coaches, the team entered the Swindale Shield round with confidence thanks to a strong pre-season and a mixture of returning experience and exciting youth.

The team completed the Swindale round with an eight win, four loss, and one draw record, and they qualified 5th for the knockout style Jubilee Cup round. Highlights included wins over Northern United, Oriental Rongotai, Upper Hutt, and old foes Petone. However, heavy losses to Old Boys University and Hutt Old Boys Marist gave the team a true reflection of where they stood in the competition.

The Jubilee Cup round was short and sharp with a 25-20 loss to eventual winners Oriental Rongotai, a performance blighted with turnovers and a heavy penalty count; the team can only look back at what might have been in 2023.

After the loss to Oriental Rongotai, the side still had an opportunity to secure silverware with the Hardham Cup. A quarter-final defeat of a substandard Wellington Rugby Club and a win over cross street rivals Poneke saw us book a spot on finals day versus Petone. The team could not replicate its Swindale Shield victory and went down 31-13 to the Hardham Cup winners in an error-ridden performance.

Although we finished with no silverware, there were some consistent performers, including stalwarts Andrew Wells, James Tuiatua, MVP Ben Tuiatua, and Mick Horan Trophy winner, Curtis Finnigan. Young players Jack O'Brien, Logan Love, Milan Kriletich, and Francis Mettrick provided energy and skill throughout the year and featured in some of the team's 2023 highlights.

Thank you to all the Club sponsors and members for their unwavering support and team management, who worked tirelessly to put the Premier Men on the park to compete each week.

PREMIER RESERVES

The Premier Reserves this season were coached by Pita Taele and Sonny Whitman. John Poutawera and Poto Masina managed the side.

The team kicked off their season against Avalon with a convincing 56-19 win. They had a tough loss on the road to Tawa on Easter Saturday going down by 14-43 after initially leading 14-0. As the club celebrated Old Timers Day, the Prem Reserves bounced back and recorded a big win. The team led Northern United by 59-0 before conceding tries in the final half an hour to record a 59-33 win.

In the Harper Lock Shield, the team earned their third win from four games with a 36-3 win over Johnsonville at Evans Bay Park. Three weeks later on the same ground they scored a late try to break a 29-29 deadlock and beat a previously unbeaten Hutt Old Boys Marist side by 36-29. The side then went on to record wins away from home by beating Oriental-Rongotai by 22-17 and Paremata-Plimmerton by 40-24. The last game of the round saw a close match with Petone which ended with a 21-36 loss after a late try side.

Our side finished fifth and hosted Stokes Valley in the playoffs winning their Ed Chaney Cup elimination match. The following week we travelled to the Hutt Rec to face a higher ranked Hutt Old Boys Marist in the quarter-final and a clinical performance in the pouring rain saw us claim a convincing 47-17 victory.

Our Premier Reserve side played Poneke at Kilbirnie Park in the Ed Chaney Cup semi-final, but the season ended early with a 20-32 semi-final loss.

Thank you to all the players for a memorable season.

COLTS

The 2023 season for the MSP Colts saw exciting growth throughout the team and the competition. While the result was not what we were after, it shows that the club has a future to be excited about. The team consisted of a mix of returning players and new players made up of locals, college leavers, and new talent from outside the Wellington region. Head Coach Li'i Alaimoana completed his final year of coaching with the team and was newly joined by Eric Sione as the Forwards Coach and Theo Gordon as the Team Manager, while Brendan Reidy returned as Resource Coach.

The season started with pre-season games against Petone, in which we lost 22-41, and Wellington, in which we won 55-5. The competition started hot with a convincing 74-0 win over Wainuiomata, with hat-tricks from both Noah Guise and

Malachi Feterika. After retaining the Xavier Reidy Cup against the St. Pats Town 1st XV on ANZAC Day, our first big challenge came against OBU. While the boys played exceptionally well and saw a hat-trick for Dominic Leota-Johnson, OBU ultimately got the better of us, with them narrowly winning 24-22. After our bye week, we took on Norths, which, despite us jumping out to a 26-0 lead, Norths came back strong and won the game 34-31. The next game was a wet, muddy affair against Poneke, which saw us come away with a narrow 14-12 win.

The next three games saw the team hit their stride. After having the lead for most of the game in terrible conditions against the undefeated Petone, they scored a try in the last play of the game to defeat us 16-12. Despite the loss, the boys were motivated, which led to an outstanding performance against Oriental-Rongotai. After conceding a couple of early tries, the boys got back into the game. A last-minute penalty, which would have given us the win, narrowly missed, and the game ended in a 27-all draw. The momentum from the performance against Ories carried into the following week against Upper Hutt. After a scoreless first half, two tries from Troy Gray, including one in the corner right before the final whistle, gave us the 10-7 win.

After a slight blip due to a 34-0 loss to Tawa, the boys were motivated the following week against top-of-the-table Hutt Old Boys Marist. Despite a great effort, Hutt Old Boys Marist was too much in the end, and the boys lost 34-22. This meant we needed a win against Wellington the next week to qualify for the Quarter Finals. While we started slowly, the boys had a convincing second half and won 39-7, which meant we finished the season in sixth place, enough for a place in the Quarter Finals. In the Quarter Finals, we once again faced Oriental Rongotai. While we struck first with an early try, late withdrawals hurt our team. Ories were much improved from the first game and were too much for us, with our season ending disappointingly with a 38-14 loss in the quarters.

Thank you to all the players who gave it all this season, especially those who played their last season with the Colts. We wish you the best in your bright future playing rugby. To all the supporters who came to the games throughout the season, thank you for your endless support and contribution. Lastly, a special thanks to departing Head Coach Li'i Alaimoana. Li'i has been a relentlessly hard-working coach for this team and an outstanding mentor for the developing players. We thank him for giving his time and effort to this team and wish him the best in his future.

While the result was not what we wanted, this season shows a bright future in this club, and we look forward to continuing to contribute to that future in 2024.

Colts Management Team

Li'i Alaimoana - Head Coach

Eric Sione - Forwards Coach

Brendan Reidy - Resource Coach

Theo Gordon – Manager

PREMIER WOMEN

After an historic 2022 season that saw our Premier Women reach the Tia Paasi Memorial Trophy Final for the first time, the coaching group that led them there returned with a notable addition. Long-time head coach Ryan Setefano returned with forward coaches Tovia Apolo and Tui Tuiatua; they were joined by club legend Norm Broughton. Team medics were Luke Donaldson and Kathy McConville. The team manager was Duan Beer.

Our Premier Women won the Rebecca Liua'ana Trophy (Women's First Round) for the first time in the club's history after beating Northern United, who at that point sat atop the points table, by 38-17 at Porirua Park. The side finished the round with six wins and one loss, with the only defeat coming in the first round to Petone whom they shared the title with.

Our Premier Women kicked off the second round by hosting Petone, however the opening match of round two saw a reversal of fortunes with our side jumping out to a 14-0 lead. They continued to extend this in the second half before a flurry of late Petone tries narrowed the final score to 24-19. The side retained the Challenge Cup (played for like the Ranfurly Shield). The team then racked up a 27-12 win over Oriental-Rongotai at Polo Ground and marched into the final with a nine game winning streak after beating Northern United by 41-20.

Saturday 17 June will go down as a momentous day in the history of Marist St. Pats, after our Premier Women won the Tia Paasi Memorial Trophy by beating Petone 36-32 in a thrilling final played in front of an enthusiastic crowd at NZCIS in Upper Hutt. The game started with a hiss and a roar with Lyric Faleafaga scoring the opening try for Marist St. Pats before Petone struck back soon after. Tries to Sydnee Wilkins and Marcelle Parkes saw the side build momentum before the Villagers narrowed the score line on half-time to 17-12. After half-time oranges our side came out strongly with Georgia Daals scoring consecutive tries early in the second half, she would later be named the player of the match. The sides traded tries again which saw MSP put one hand on the trophy at 36-17 - but this Petone side was never going to rollover. Another Petone try with 10 minutes to go, coupled with a yellow card to MSP, set up a thrilling end to the game with

Petone eventually scoring again with one minute on the clock. Marist St. Pats kept their cool and forced a turnover and, consequently, themselves into the history books. The final was a stunning advertisement for the rise of Women's rugby, both at Marist St. Pats and around New Zealand. The victory capped off a dominant season for the side in which they won 10 of 11 games and collected the triple-crown of all Wellington Women's rugby silverware - the Rebecca Liua'ana Trophy, the Tia Paasi Memorial Trophy and the Challenge Cup.

The Wellington Pride squad for the Farah Palmer Cup included a whopping 14 Marist St. Pats players. This is by far the biggest representation our club has ever had in the representative side. Ryan Setefano was an assistant coach for the side. We acknowledge Ryan, who has led our Marist St. Pats Premier Women since 2016. In his tenure as head coach, he has rebuilt the MSP Women's programme into one of the top performing teams in the grade.

Our Premier Women cleaned up at the club's annual prizegiving following their historic season. Along with Team of the Year honours, Monica Tagoai became the first female player to win the Paul Donoghue Cup for Sportsperson of the Year. The Vice-Captain of the all-conquering Marist St. Pats side was also the Vice-Captain for the Wellington Pride and a feature of the Hurricanes Poua side. Coaches Ryan Setefano and Norm Broughton were awarded the Ah Kuoi Family Cup and Poutawera Whanau Cups respectively.

Congratulations to our players, coaches, and managers on your 2023 season. You have created history!

UNDER 85 REDS

The 85s this year was a team full of great guys who enjoyed a bit of banter and throwing the ball around. Full of players returning from previous years with lots of experience and new players who brought a lot of energy.

2023 for the Under 85 Reds started with a couple of weeks playing touch and figuring out a few positions followed by a hit out against a combined Wellington and Eastbourne team. Beginning well, the lads ran in a few special tries and were on a high. Heading into training the following Wednesday, we knew Stokes Valley at Delaney Park first up was going to be tough. After a slog fest in some trying conditions, we found ourselves 7-5 down at halftime thanks to a runaway try. The second half was more hard rugby filled with handling errors and ill discipline, but

we were unable to take chances. Stokes ran in two late tries to take the final score to 17-5.

Next up were the kids from across the road. We have always had a huge rivalry with Poneke and this year was no different. Amped up by the introduction of the Higgins Cup last year, this fixture is always one to watch. Unfortunately, this year it wasn't meant to be for us. After a tight first half that saw us kick two successful penalties, Poneke was up 10-6. In the second half their rush D put us under pressure and we leaked a few points. We scored a consolation try late in the game but Poneke ran away with it 53-13. Then was Pare-Plim and our first home game. The boys from the coast travelled well and dealt to us 48-10 in a game where we let opportunities slip. Following the big defeat to Pare-Plim, we suffered our biggest loss of the season as the OBU Scallywags put us to the sword. Highlight from the game was scoring the first points in the form of a penalty. OBU would go on to win the U85 Wellington comp.

Starting the season 0 and 4 isn't the best way to go but the team was resilient and kept turning up to training week in week out. Our first win of the season came against the old foe in Wests for the Viv Haig memorial cup. Although it was tight, we hung on for a 19-14 win and headed down to the Wests clubrooms for a light feed and more games. Coming off the win we played Eastbourne. This game was played in some of the worst conditions as well as a boggy mess of a field. Eastbourne also only came to town with 12 players so we were forced to play "game on" rules. The game ended in a 5-5 draw. Following that we went on a losing streak to close out the first round and ended with a record of 11-1-1 which had us in division 2 competing for the Tony O'Brien Shield.

We started round 2 with a gutsy back and forward 15-10 win over the Axemen at the Polo Ground to take back the Richard Kilkenny trophy. This started a 3 game winning street for us beating HOBM 21-15 at home on Evans Bay and following that we put on a clinic and beat Eastbourne 53-17. Our final game of the season was against Johnsonville and we had high hopes of winning and making the Div 2 final. Both teams played really hard in a great spectacle of the game but we were unable to capitalise of errors and take points on offer. Down 12-0 at half time we made a strong comeback but fell short 20-12.

The year was sprinkled with great social events and some late nights on the town but unfortunately the cohesion came a bit late in the season.

Our MVP this year was our tireless halfback Tane Leong who had a great season on the pitch and was a great all round leader in the team.

We unfortunately don't have any sponsors to thank this season but we are taking applications for next year!

Calum Bron

Head Coach

RESERVE INTERNATIONALS

The Internationals were unable to reach the dizzying heights of the 2022 season but continued to be a success on and off the field.

The Internationals were promoted to Division 1 this year. The team set the on-field goal of a top 4 finish and the team finished 4th.

Our theme for this year was, Leave Your Mark. We wanted to leave our mark on the grade, opposition, our club and amongst each other as individuals. We outlined a set of values at the start of the season, and these were the driving force behind our success. In short, we wanted to be known as a good bunch of men who espouse the values of our club and the game of rugby.

This season 45 players took the field for the Internationals, there were 14 new Internationals, and 10 played 3 or more games earning their International badges. Our leading try scorer was again Sam Baylis, who has scored an incredible 35 tries in 32 games, and our MVP was 16-year veteran Pena Fretton.

Highlights from this season include playing our 250th match, since our inception in 2008, winning the Gibbo Cup and capping 15 current and past players for playing 50 games or for their significant contribution to the team.

Off the field highlights included well attended socials at the clubrooms and our sponsors, BYO Karaoke nights and an epic end of season trip.

The Internationals would not have been able to succeed on and off the field without the support of several people and our sponsors. We would like to thank Brendan Reidy who was instrumental in upskilling our pack, the club for the enormous amount of support we've received, Kerrin Simpson and In-depth Builders who are main sponsor, James Beach from Affordable Glass, and The Realm in Hataitai.

The Internationals are hungry for Division 1 success and to continue to grow the Social Rugby Grade in Wellington. Bring on 2024!

Brains Trust for 2023

PRESIDENTS MH LAW CLASSICS

Well, another season completed for the MH Law Classics and the season produced a better one than last year with 3 losses from 11 games finishing 3rd in the grade.

A few notable mentions. Firstly, Grant Sullivan winning MVP for the season. He had an outstanding season with the whistle and when he put the Jersey on. Mick Joyce playing in his 20th season of Presidents rugby and his defensive tackling. Big Fred, Max Curtis, Shane Whitehead, Axl, Pete, Fili Boys, and Peti always menacing the opposition with their runs and tackles and showing leadership. A big thanks to George, David, Dale, Utu, Tonu and the guys that turned up every week (you know who you are) without your dedication we wouldn't have a team. Finally, Cal, Fred, and Mick for leading the team this year with great mana. The lads would like to thank the club for their support during the season, the teams own loyal band of supporters, & the long-suffering wives, girlfriends, pets & kids who had to put up with all the excuses, aches, and pains that a rugby season delivers each year.

Lastly the team would like to thank our sponsors **Mahony Horner Lawyers** who every week keep our throats from getting too dry and with their support we are able to get the over 30 year olds participating in the game. Also come see me hfidow@sharp.net.nz for Any copier, Visual signage, and screen solutions all sales made will help towards team funds.

Henry Fidow

Manager, Coach, and all-round Legend

MSP NETBALL

MSP Netball has had another fantastic year of growth and this time around, success. MSP Netball entered two teams into the Wellington Netball competition in 2023 with one team in Prem Reserve Grade and our new team in the Senior Grade.

A great amount of admin, preparation, and planning went in to the 2023 season from the management team. With a team bonding session at the beginning of the season, we saw two teams come together and enjoy the competitive season. A special mention to our manager Daniella Fili who humbly and quietly gets on and does a lot of the admin work in the background to ensure both teams were abiding by the Wellington Netball rules, managed every game, scoring for both teams, and overall great communication to ensure both teams knew the schedule for the season. Thank you for your dedication this year and giving up your Saturdays to ensure everything runs smoothly for the girls.

MSP 1, who played in the Premier Reserve 4 grade for the first time, won 12 out of 16 games and yet again won their semifinal game and qualified for finals. After a tough battle and loss to the clinical Scots College top team, we ended up second place for 2023 Premier Reserve 4 grade. The team consisted of a mix of old and new players. We're excited to see what is to come for team one next year.

MSP 2 started in Senior 5 grade due to entering a new team. Very quickly MSP 2 moved up three grades due to winning every game of the first round. The team was a mix of old and new players and they had a very successful season winning 15 out of 16 games. They won the semifinal and went on to play Kia Ora in the finals. Kia Ora was the only team they had lost to in the season, so were extremely happy to come away with the win as Senior Two overall champions. The team was also awarded the 'Best Defensive Play' for the entire Senior grade at the Wellington netball awards. Fantastic first year for our new team.

A big thank you to Mike Tolova'a and Advance Electrical Wholesalers for continuously supporting the netball teams. Thank you for providing brand new hoodies as our uniform to wear to and from our netball games, we appreciate your support.

Thank you also to Rory for his support and time in ensuring that our fees and our uniforms were covered by grants for 2023, again we really appreciate your support.

Thank you to Michael Holden for including the netball team in his weekly social posts and supporting the girls by sharing the game times, final scores and including the netball team on the social pages.

Lastly, thank you to the Club for the support that we continue to feel each year. We look forward to working closely with Lourdaiz and the Committee to discuss what 2024 looks like for MSP Netball.

Gina Petelo

Manager

MSP JUNIOR RUGBY REPORT

Across the junior club we had 133 registered players in 2023. This represented a significant decrease from 171 in 2022. Most notable was the decrease in Y1 and Y2 registrations where there was only one team in each grade. In 2019 MSP had four teams in each equivalent grade. The challenge isn't confined to MSP with all other Wellington city clubs reporting reduced Y1 and Y2 registrations. On a positive note, there were an additional 20 children registered in the Little Rippas nursery grade which was an encouraging increase from 12 in 2022 and will hopefully translate into improved registration numbers in 2024.

MSP had 10 teams in total, including three in the Y6 grade and a combined MSP/Ories Barbarian team in the Y7/8 Open grade. We had enthusiastic new coaches in four of our teams. On the social scene there were two junior nights held during the year and we hosted Poneke for our traditional interclub event. Our junior prize-giving was well attended as always and rounded out the season nicely. We sent an U12 and an U11 team to participate in the NZ Junior Rugby Festival in Taupo which was a very positive experience for all involved.

A massive thank you goes out to all the coaches, committee members, volunteers and parents for their time and contribution during 2023.

Statement of Accounting Policies

Marist St Pats RFC

For the year ended 30 September 2023

Reporting Entity

These are the financial statements of Marist St Pats RFC. Marist St Pats RFC is an incorporated society registered under the Incorporated Societies Act 1908 and is engaged in the operations of running an amateur rugby club.

Basis of Preparation

The entity has elected to apply PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) on the basis that it does not have public accountability and has total annual expenses equal to or less than \$2,000,000. All transactions in the Performance Report are reported using the accrual basis of accounting. The Performance Report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

The financial statements have been prepared on an historical cost basis, unless otherwise stated and all figures are presented in New Zealand dollars.

Changes in Accounting Policies

There have been no changes in accounting policies. Policies have been applied on a consistent basis with those of the previous reporting period.

Goods and Services Tax (GST)

The entity is registered for GST. All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

Income Tax

As a promoter of amateur sport, Marist St Pats RFC is wholly exempt from New Zealand income tax under section CW46 of the Income Tax Act 2007.

Bank Accounts and Cash

Bank accounts and cash in the Statement of Cash Flows comprise cash balances and bank balances (including short term deposits) with original maturities of 90 days or less.

Receivables

Receivables are stated at their estimated realisable value. Bad debts are written off in the year in which they are identified.

Revenue

Marist St Pats RFC receives revenue in the form of members' subscriptions, sponsorship, grants, donations, fundraising, bar sales and merchandise sales. All revenue is recognised in the period in which it relates to.

Inventory

Inventory is stated at the lower of cost or net realisable value.

Fixed Assets & Depreciation

The entity's classes of fixed assets are detailed in Note 5. All fixed assets are recorded at cost less accumulated depreciation. Depreciation has been calculated at the maximum rates permitted by the Income Tax Act 2007.

Other fixed assets at cost	247,650	231,754
Accumulated depreciation - other fixed assets	(208,878)	(202,652)
Total Other Fixed Assets	38,772	29,103

Total Property, Plant and Equipment	285,590	297,967
--------------------------------------------	----------------	----------------

Depreciation has been provided on the following basis:

Furniture & fittings - 20.00% diminishing value

Plant & equipment - 10.00% diminishing value

Clubrooms - 2.50% diminishing value

Office equipment - 20.00% diminishing value

Leasehold improvements - 10.00% diminishing value

Artificial turf - 10.00% straight line (to reflect 10 year life of turf)

Gym Equipment - 20.00% diminishing value

2023 2022

6. Accumulated Funds

Accumulated Funds

Opening Balance	495,384	437,554
Net surplus / (deficit) for the year	(16,181)	57,829
Total Accumulated Funds	479,203	495,384

Total Accumulated Funds	479,203	495,384
--------------------------------	----------------	----------------

7. Audit

These financial statements have been subject to audit. Please refer to the Auditor's Report.

8. Commitments

The Clubrooms are insured for \$1,680,000 building replacement cost. The valuation for insurance purposes was performed in May 2014. The Clubrooms are reported at original cost less accumulated depreciation.

The land on which the Clubrooms are situated is leased from the Wellington City Council. The current lease is for 10 years and expires in 2026.

The Gymnasium is leased from the St Patrick's College Board of Proprietors. A new lease agreement was entered into for 5 years commencing 1 February 2022, expiring 31 January 2027 (subject to renewal). Annual consideration for the license of the Gymnasium totalling \$7,150.00 exclusive of GST is required under the new agreement. This amount includes rates, water, electricity and other services provided to the Gym.

9. Contingent Liabilities and Guarantees

There are no contingent liabilities or guarantees as at 30 September 2022 (Last year - nil).

10. Related Parties

There were no transactions involving related parties during the financial year.

11. Events After the Balance Date

There were no events that have occurred after the balance date that would have a material impact on the Performance Report (Last year - nil).

12. Ability to Continue Operating

The entity will continue to operate for the foreseeable future.
